VERSION 1 – December 2005 – Submitted to core members of the Little France Buildings Health & Safety Committee and service representatives for comments and amendments. Approved for issue by the Little France Buildings Health & Safety Committee.

VERSION 1.2 – May 2006 – Submitted to core members of the Little France Buildings Health & Safety Committee and service representatives for comments and amendments. Approved for issue by the Little France Buildings Health & Safety Committee.

VERSION 1.3 – January 2008 – Submitted to core members of the Little France Buildings Health & Safety Committee and service representatives for comments and amendments. Approved for issue by the Little France Buildings Health & Safety Committee.

VERSION 1.4 – January 2009 – Submitted to service representatives *etc* for comments and amendments. Summary of changes submitted to members of the Little France Buildings Health & Safety Committee for comments and any proposals for amendment. Approved for issue by the Little France Buildings Health & Safety Committee.

VERSION 1.5 – May 2009 – Changes limited to amendment of web site links within UofE’s central H&S department. Changes confirmed with central H&S department. No Little France-internal consultation required.

VERSION 1.6 – September 2012 – Changes to ensure inclusion of Scottish Centre for Regenerative Medicine building. Changes confirmed with SCRM after Little France-internal consultation

VERSION 1.7 – September 2012 – Routine three-yearly “root and branch” review of entire Manual, though changes were relatively insubstantial for all but arrangements for evacuation of persons with mobility Impairment from the QMRI (see Section 6 of this Manual) and to reflect discontinuation of the College’s pool car and introduction of e-Bikes and a City Car Club provision (see Section 35 of this Manual).

VERSION 1.8 – September 2015 – Routine three-yearly “root and branch” review of entire Manual. Approved for issue by the Little France Buildings Health & Safety Committee.

VERSION 1.9 – September 2018 – Routine three-yearly “root and branch” review of entire Manual. Approved for issue by the EbQ Campus Health & Safety Committee.

VERSION 1.10 September 2021 – Routine three-yearly “root and branch” review of entire Manual. Special arrangements for work during a pandemic were considered in tandem. Approved for issue by the EbQ Campus Health & Safety Committee.

VERSION 1.11 – September 2023 – Routine three-yearly “root and branch” review of entire Manual. Substantial changes to Section 5 (Fire Safety) in respect of new arrangements from SF&RS regarding unwanted fire alarm signals, and special arrangements (in section 14) for management of CL3 laboratories. Submitted to core members of the Little France Buildings Health & Safety Committee and service representatives for comments and amendments. Approved for issue by the EbQ Campus Health & Safety Committee.
